

### ***How to place an online bid.***

The numerous pieces will be displayed in the window at Jake's Home Centre and in the Pioneer Museum at various times throughout the summer.

### **To bid on one of these beautiful pieces of art, follow the directions below. ( *it's quite simple* )**

1. Bidding will be online only at [www.32auctions.com](http://www.32auctions.com)
- 2 Set up an **account** ( This just allows for hassle-free payment and communication during the auction)  
You **will not** be hassled after the auction. People who bid on art last year found it a straightforward process.  
It's clearly explained on the "32auctions" site.
3. Final bids will be taken before noon at the Birthday Bash and BBQ on August 10 in the Mindemoya arena. Someone will be on hand to help you place a last-minute bid.
4. Winning bids will be announced at 1:00.
5. We will make arrangements for you to either pick up your new treasure or make sure that you get it.
